The Contribution of Sweden to UPOV

Dear Sir,

Referring to your letters of May 28 and July 27, 1971 concerning the contributions to the budget of UPOV from Denmark, the Netherlands and Sweden I have the honour to inform you as follows.

If Sweden becomes a member of UPOV from January 1, 1972 Sweden is prepared to render a contribution for the calender year of 1972 of one and a half units which is equivalent to 42.600 Swiss francs. The fact that Denmark and the Netherlands, according to information recieved, seem prepared to increase their contributions to one and a half and two units respectively is a decisive factor behind the government's decision.

Yours sincerely

Claes Senning
