

**TWC/27/19****ORIGINAL:** English**DATE:** June 4, 2009

INTERNATIONAL UNION FOR THE PROTECTION OF NEW VARIETIES OF PLANTS
GENEVA

**TECHNICAL WORKING PARTY ON AUTOMATION AND
COMPUTER PROGRAMS**

Twenty-Seventh Session
Alexandria, Virginia, United States of America
June 16 to 19, 2009

PROPOSALS FOR EXCHANGEABLE SOFTWARE

Document prepared by the Office of the Union

1. Circular E-1000 invited UPOV Members to propose software to be included in document UPOV/INF/Software or to propose DUSTNT modules for endorsement. In the circular it was explained that a TWC document containing that information would be prepared for discussion at the TWC/27 session and experts making proposals would be invited to present the software at that TWC session.
2. This document contains the proposal made by the Russian Federation in reply to Circular E-1000.

Proposal made by the State Commission of the Russian Federation for Selection
Achievements Test and Protection
