Circular E-13/307
TC

December 20, 2013

Subject: Update of the "List of genera and species for which authorities have practical experience in the examination of distinctness, uniformity and stability" (document TC/50/4)

Deadline for the submission of information: January 31, 2014

Madam,
Sir,

The Office of the Union is preparing an update of the above document for presentation at the fiftieth session of the Technical Committee (TC), which will take place from April 7 to 9, 2014 (document TC/50/4).

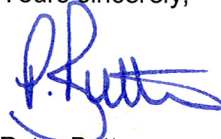

To ensure that the new version of the document is as complete and accurate as possible, please check the information which we currently have in the GENIE database (<http://www.upov.int/genie/en>) regarding your practical experience in the examination of Distinctness, Uniformity and Stability, and advise us of any necessary amendments by no later than **January 31, 2014**, using the spreadsheets attached to this circular and provided on the UPOV website at http://www.upov.int/meetings/en/details.jsp?meeting_id=31703.

The Powerpoint attachment to this circular contains a step-by-step guide to obtaining the information for your authority and providing updated information.

Please send your amendments to upov.mail@upov.int with copy to ariane.besse@upov.int.

Thank you for your cooperation.

Yours sincerely,

Peter Button
Vice Secretary-General

Distribution: Designated persons in the Technical Committee
