Madam,
Sir,

We refer to your electronic application for international registration No. 970345123 in the name(s) of Pantex Sweden AB and hereby inform you that this application presents irregularities. Accordingly, we invite you to timely correct these irregularities, as set out below.

If the application was originally filed through eHague Filing, the fastest and most secure way to correct irregularities or defects is through the eHague Workbench:

<https://hague.wipo.int/#/landing/home>. The response functionality may be found by clicking on the above-mentioned "our reference number" in the transactions tab in your eHague Workbench.

If the application was not originally filed through eHague Filing, please upload your response electronically through the Hague System Document Upload:

<https://hague.wipo.int/document>.

Irregularities:

Irregularities that must be corrected within 3 months:

The following irregularities do not entail a postponement of the filing date or the International Registration date. However, their correction must be received by the International Bureau within the time limit indicated below.

The indication of the product or products which constitute the industrial design **"Storage boxes"** [it is too vague to be classified; please explain its function or usage of the product] is **not appropriate**. In order to remedy this irregularity, please indicate in writing the identification of the product(s), preferably by using the terms appearing in the list of goods of the International Classification [e.g., "Storage boxes [furniture]"(06-04); "Food storage containers for household use" (07-07); "Packaging boxes for storage"(09-03)]. Note that all the products should be listed under the same class of the International Classification.

The required correction of all the above-mentioned irregularities must be **received** by the International Bureau within 3 months from the date of the present letter, that is at the latest on **March 12, 2026**, failing which the international application will be considered **abandoned** by the International Bureau, pursuant to Rule 14(3) of the Regulations.

Observations:

The following observations are for information only and do not require an action or a response.

In the international registration, the description which was provided in the international application will be replaced by the following:

1.1) Perspective (front, top and right); 1.2) Perspective (back, bottom and left); 1.3) Enlarged front view; 1.4) Exploded view; 1.5) Top of the inner box; 1.6) Back of the inner box; 1.7) Left of the inner box; 1.8) Bottom of the inner box; 1.9) Bottom of the inner lid; 1.10) Front of the outer case; 1.11) Cross-section

Yours sincerely,

**International Bureau of the World
Intellectual Property
Organization**
