Geneva, October 19, 2006**

REPORT ON THE DECISIONS

adopted by the Council

Introduction

1. The Council of the International Union for the Protection of New Varieties of Plants (UPOV) held its fortieth ordinary session in Geneva on October 19, 2006, chaired by Miss Enriqueta Molina Macías (Mexico), President of the Council.
2. The list of participants is reproduced in the Annex to this document.
3. The President extended a warm welcome to the Delegation of Morocco, which had become the sixty-second member of UPOV on October 8, 2006.
4. The Delegation of Morocco expressed its appreciation for the welcome which Morocco had received on becoming member.
5. The Council took the decisions recorded below under each relevant agenda item.
6. The draft detailed report on the session will be submitted to the Council for adoption by correspondence.

Adoption of the Agenda

7. The Council adopted the draft agenda, as proposed in document C/40/1, after having noted that there were additional documents C/40/14 (Examination of the conformity of the Draft Law on Protection of Breeder's Rights for Varieties of Plants of the Dominican Republic with the 1991 Act of the UPOV Convention) and C/40/15 (Examination of the conformity of the Draft Law on the Protection of New Varieties of Plants of the Republic of Guatemala with the 1991 Act of the UPOV Convention) under item 3, C/40/16 (Avian Flu Preparedness Plan) under item 6, C/40/8 Rev. (Revised Calendar of Meetings) under item 11, and C/40/17 (Presentation by the Food and Agriculture Organization of the United Nations (FAO) on the International Treaty on Plant Genetic Resources for Food and Agriculture (IT/PGRFA) under item 15.

Examination of the Conformity of the Legislation or Proposed Legislation of any State or Organization Having Submitted a Request under Article 34(3) of the 1991 Act of the UPOV Convention

Dominican Republic

8. The Senior Legal Officer introduced document C/40/14.
9. The Council decided to
 - (a) take note of the information given in document C/40/14;
 - (b) take a positive decision on the conformity of the Draft Law on Protection of Breeder's Rights for Varieties of Plants of the Dominican Republic with the provisions of the 1991 Act of the International Convention for the Protection of New Varieties of Plants, in accordance with Article 34(3) of that Act, which allows the Dominican Republic to deposit its instrument of accession once the Draft Law is enacted and in force; and
 - (c) authorize the Secretary-General to inform the Government of the Dominican Republic of that decision.
10. The Delegation of the Dominican Republic thanked the Council for the examination of the Draft Law and looked forward to becoming a member of UPOV and to cooperating with the members of the Union.

Guatemala

11. The Senior Legal Officer introduced document C/40/15.
12. The Council agreed to amend paragraphs 15, 16 and 27 of document C/40/15 as follows:

“15. Article 16(1) of the Draft Law contains provisions concerning the exceptions to the breeder's right which conform with Article 15(1) of the 1991 Act.

“16. Article 16(2) of the Draft Law provides for the optional exception under Article 15(2) of the 1991 Act. In order to fully comply with Article 15(2) of the 1991 Act, it is recommended to insert “within reasonable limits and subject to the safeguarding of the legitimate interests of the breeder” after “using” in Article 16(2) of the Draft Law. Article 16(3) of the Draft Law provides that varieties of fruit, ornamentals and forest species are excluded from this exception and that the regulations will introduce additional limitations to Article 16(2), as considered appropriate.

“27. In the opinion of the Office of the Union, subject to the inclusion in Article 16(2) of the Draft Law of “within reasonable limits and subject to the safeguarding of the legitimate interests of the breeder” after “using”, the Draft Law incorporates the substance of the 1991 Act, and once adopted without substantive changes, it would enable Guatemala “to give effect” to the provisions of the 1991 Act, as required by its Article 30(2).”

13. The Council decided to

- (a) take note of the information given in document C/40/15, as modified by the Council;
- (b) take a positive decision, subject to the inclusion in Article 16(2) of the Draft Law of “within reasonable limits and subject to the safeguarding of the legitimate interests of the breeder” after “using”, on the conformity of the Draft Law for the Protection of New Varieties of Plants with the provisions of the 1991 Act of the International Convention for the Protection of New Varieties of Plants, in accordance with Article 34(3) of that Act, which allows the Republic of Guatemala to deposit its instrument of accession once the Draft Law is enacted and in force; and
- (c) authorize the Secretary-General to inform the Government of Guatemala of that decision.

14. The Delegation of Guatemala thanked the Council for the examination of the Draft Law and looked forward to becoming a member of UPOV.

17. The Council adopted the “Explanatory notes on variety denominations under the UPOV Convention”, as contained in document C/40/12, and noted that prior guidance provided by the “UPOV Recommendations on Variety Denominations” (document UPOV/INF/12 Rev.), was superseded by those Explanatory Notes.
