ANNEX II

Statement of the Delegation of the Republic of Azerbaijan

Madam President,  
Ladies and Gentlemen,

On behalf of the Government of the Republic of Azerbaijan and on behalf of the Ministry of Agriculture, Azerbaijan appreciates the warm welcome into the UPOV family and are very honored to be member of UPOV. We express our appreciation to all those who contributed to the accession of Azerbaijan to this prestigious organization.

On November 9, 2004, Azerbaijan deposited its instrument of accession to the UPOV Convention (1991 Act). On December 9, 2004, Azerbaijan became the fifty-eighth member of UPOV.

The State Commission for Testing and Protection of Selection Novelty is the official body for testing and protection of new achievements. The State Commission acts in conformity with the Law of Azerbaijan Republic on Selection Achievements passed by the Parliament on November 17, 1996, and was amended by the Law on Alterations and Additions No 808-IQD of February 8, 2000. On October 26, 2000, the Council of UPOV took a positive decision on the conformity of the Law on Selection Achievements with the 1991 Act of the UPOV Convention.

The State Commission has the appropriate legal and institutional framework for the grant of protection of plant breeders' rights. The staff received excellent training in Georgia and the Islamic Republic of Iran in the field of plant breeders' rights.

Azerbaijan cooperates in DUS testing with France, Hungary, the Islamic Republic of Iran, the Netherlands and Turkey. As of today, protection is available in Azerbaijan for 20 genera and species. Annual crops are protected for the period of 20 years, but perennial crops for 25 years. DUS trials for varieties of agricultural crops are carried out in 16 variety testing stations that represent 9 soil-climatic types. Testing activities and protection of new plant varieties are carried out with strict conformity of State testing methods.

I would like to emphasize our gratitude for the assistance received by the Office of the Union in the accession procedure of Azerbaijan to the UPOV Convention.

I would like also to convey thanks to experts from the Islamic Republic of Iran, Georgia and Turkey, and from other authorities of members of the Union for their help and cooperation.

Thank you.
