

TC/51/34

ORIGINAL: English

DATE: February 6, 2015

**INTERNATIONAL UNION FOR THE PROTECTION OF NEW VARIETIES OF PLANTS**

Geneva

**TECHNICAL COMMITTEE****Fifty-First Session  
Geneva, March 23 to 25, 2015**

PARTIAL REVISION OF THE TEST GUIDELINES FOR GARDEN SORREL (DOCUMENT TG/268/1)

*Document prepared by the Office of the Union**Disclaimer: this document does not represent UPOV policies or guidance*

The purpose of this document is to propose a partial revision of Ad. 15 to 18 of the Test Guidelines for Garden Sorrel (document TG/268/1):

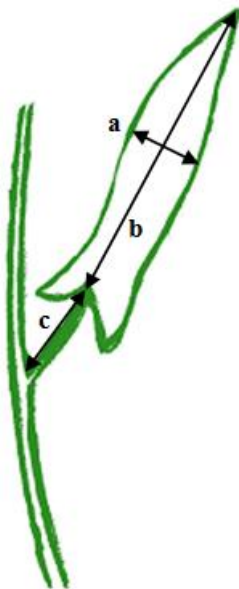

*Proposed new illustration:*

Ad. 15: Stem leaf: length of blade (b)

Ad. 16: Stem leaf: width of blade (a)

Ad. 17: Stem leaf: ratio length/ width of blade

Ad. 18: Stem leaf: length of petiole (c)

The characteristics should be observed on a fully developed leaf on the middle part of the main stem.
