#### TEST GUIDELINES ADOPTED BY CORRESPONDENCE

5. The Council, at its thirty-fourth extraordinary session, held in Geneva on April 6, 2017, decided to organize a single set of sessions from 2018, in the period of October/November (see document C(Extr.)/34/6 "Report on the decisions", paragraphs 12 to 14). From 2018, the meetings of the TC will take place in October/November instead of March/April.

6. The Council decided to adopt the proposal of the TC, at its fifty-third session, that Test Guidelines that could not be prepared in time for adoption by the Technical Committee at its session could be adopted by correspondence on the basis of the recommendations by the Enlarged Editorial Committee (TC-EDC).

7. The TC-EDC, at its meeting held in Geneva on March 26 and 27, 2018, considered the draft Test Guidelines submitted for adoption by the TWPs at their sessions in 2017, and recommended the adoption by correspondence of the Test Guidelines presented in Annex I to this document (see document TC-EDC/Mar18/11 "Report", paragraphs 55 to 57):

8. On the basis of the recommendations by the TC-EDC, the remaining draft Test Guidelines submitted for adoption by the TWPs at their sessions in 2017, required further clarifications and would be considered for adoption by the TC, at its fifty-fourth session (see document TC-EDC/Mar18/11 "Report", paragraphs 55 to 57):

9. On August 9, 2018, the Office of the Union issued Circular E-18/091 to propose the adoption by correspondence of the draft Test Guidelines recommended by the Technical Committee. No objections were received by the UPOV Office and the Test Guidelines were considered as adopted by the TC by correspondence.

10. For information purposes, the draft Test Guidelines considered by the TC-EDC as the basis for adoption by correspondence are available on the TC website.

*11. The TC is invited to note the draft Test Guidelines adopted by correspondence, as set out in Annex I to this document.*

#### TEST GUIDELINES FOR ADOPTION

12. The Technical Committee (TC), at its forty-seventh session, held in Geneva from April 4 to 6, 2011, noted that the Council, at its forty-third ordinary session, held in Geneva on October 22, 2009, had endorsed the practice whereby Test Guidelines are adopted by the TC on behalf of the Council on the basis of the program of work approved by the Council, without the individual Test Guidelines being submitted to the Council for review (see document C/43/17 "Report", paragraph 38).

13. At its fifty-first ordinary session, held in Geneva on October 26, 2017, the Council noted the work of the TC, the Technical Working Parties (TWPs) and the Working Group on Biochemical and Molecular Techniques, and DNA-Profiling in Particular (BMT), as reported in document C/51/10. The Council approved the work of the TC and the work programs of the TWPs and BMT reported to the TC, as set out in document C/51/10 (see document C/51/22 "Report", paragraphs 38 and 39).

14. Annex II to this document presents the list of draft Test Guidelines proposed for adoption by the TWPs, at their sessions in 2017, that were considered by the TC-EDC at its meeting in March 2018 and required further clarifications. Annex I to this document also presents the draft Test Guidelines proposed for adoption by the TWPs, at their sessions in 2018, up to August 2018.

15. The draft Test Guidelines proposed for adoption by the TWV, at its fifty-second session, held in Beijing, China, from September 17 to 21, 2018, and the TWF, at its forty-ninth session, to be held from November 19 to 23, 2018, will be considered by the TC-EDC at its meeting in March 2019 for adoption by correspondence. The TWO did not hold a session in 2018.

*16. The TC is invited to adopt, subject to any changes proposed by the Enlarged Editorial Committee (TC-EDC), the draft Test Guidelines listed in Annex II to this document.*

#### DRAFT TEST GUIDELINES DISCUSSED BY THE TWPS IN 2017 AND 2018

17. In 2017, all TWPs held one session. In 2018, the TWA and TWV held one session before the session of the TC. The TWF will hold its session in 2018 after the session of the TC. The TWO will not hold a session in 2018. A list of Test Guidelines discussed by the TWPs at their sessions in 2017 and 2018 is presented in Annex III to this document.

*18. The TC is invited to note the draft Test Guidelines discussed by the TWPs at their sessions in 2017 and 2018, as listed in Annex III to this document.*

#### DRAFT TEST GUIDELINES TO BE DISCUSSED BY THE TWPS IN 2018 AND 2019

19. For their sessions in 2019, the TWA, TWO and TWV proposed to discuss the development of new Test Guidelines, or the revision of adopted Test Guidelines, as listed in Annex IV.

20. The proposals by the TWF for the development of new Test Guidelines or the revision of adopted Test Guidelines in 2019 will be considered at its next session, to be held in Santiago, Chile, from November 19 to 23, 2018. The TC is invited to consider whether the program for the development of new Test Guidelines and for the revision of adopted Test Guidelines for the TWF in 2019 should be approved by correspondence if the TWF holds its fiftieth session before the TC session in 2019.

*21. The TC is invited to*

*(a) agree the program for the development of new Test Guidelines and for the revision of adopted Test Guidelines, as shown in Annex IV to this document; and*

*(b) consider whether the program for the development of new Test Guidelines and for the revision of adopted Test Guidelines for the TWF in 2019 should be approved by correspondence if the TWF holds its fiftieth session before the TC session in 2019.*

## STATUS OF EXISTING TEST GUIDELINES OR DRAFT TEST GUIDELINES

22. A summary table showing the status of the existing Test Guidelines, at the date of preparation of this document, is attached as Annex V.

*23. The TC is invited to note the status of the existing Test Guidelines or draft Test Guidelines, as listed in Annex V to this document.*

## SUPERSEDED TEST GUIDELINES
