**INTERNATIONAL UNION FOR THE PROTECTION OF NEW VARIETIES OF PLANTS**

Geneva

**ENLARGED EDITORIAL COMMITTEE**

**Geneva, January 8 and 9, 2014**

CORRECTIONS OF TEST GUIDELINES

*Document prepared by the Office of the Union*

*Disclaimer: this document does not represent UPOV policies or guidance*

1. The purpose of this document is to report on corrections to be made to the following Test Guidelines, as presented in the Annexes to this document:

ANNEX I Correction to the Test Guidelines for Curly Kale (document TG/90/6)

ANNEX II Correction to the Test Guidelines for Tomato Rootstocks (document TG/294/1)

ANNEX III Correction to the Test Guidelines for African Lily (document TG/266/1 Rev.)

2. *The TC-EDC is invited to note the information in this document to be presented to the TC and propose any improvements to the document in that regard.*

[Annexes follow]
