Welcome

The International Union for the Protection of New Varieties of Plants (UPOV) is an intergovernmental organization with headquarters in Geneva (Switzerland).

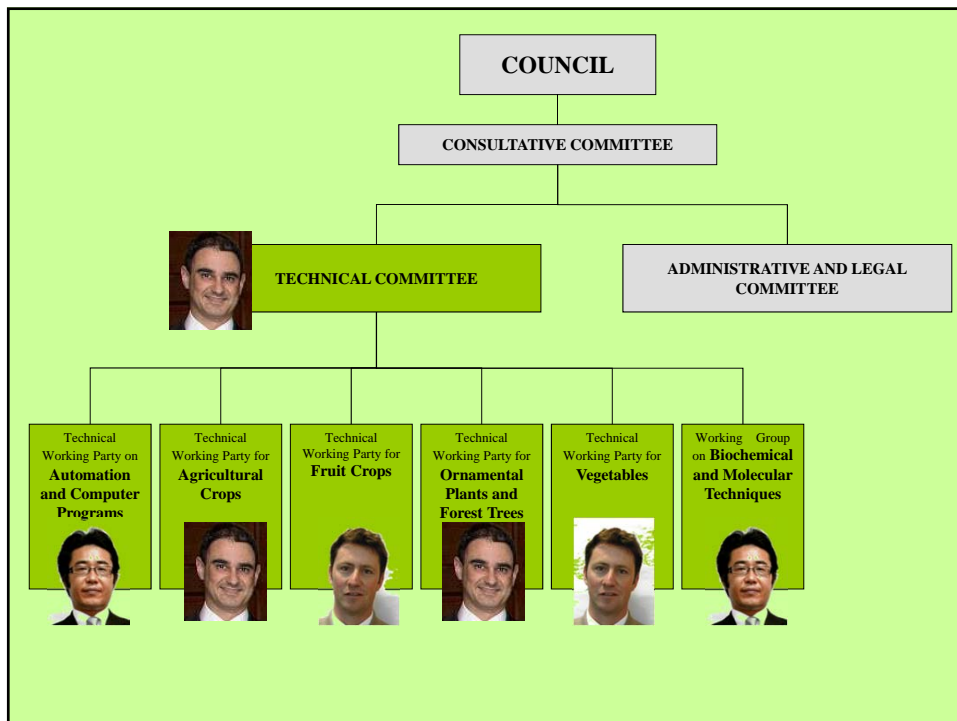

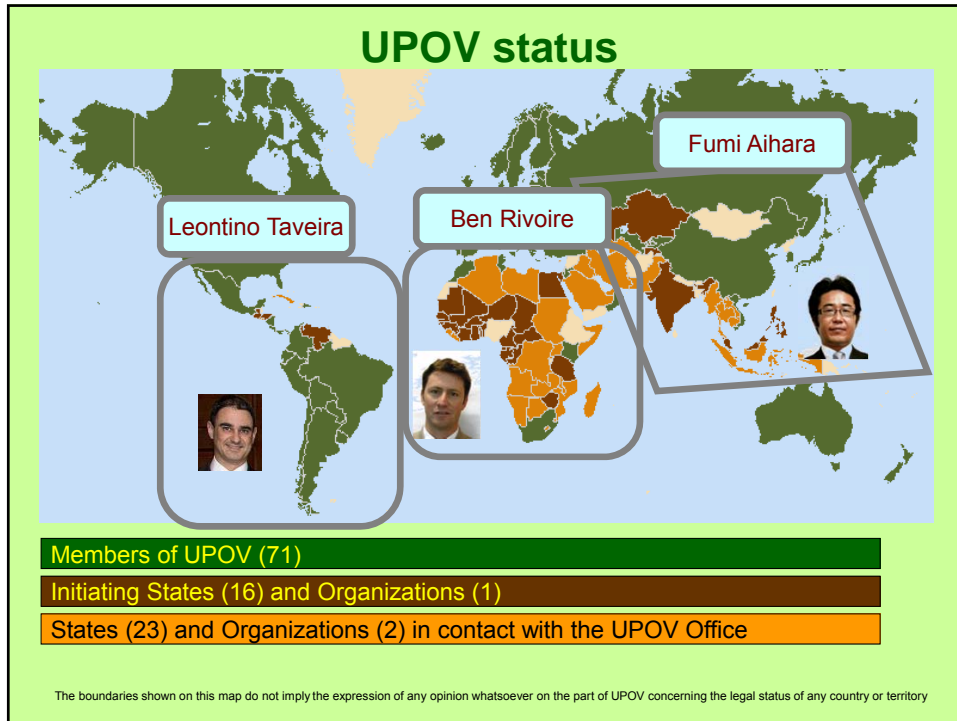

UPOV was established by the International Convention for the Protection of New Varieties of Plants. The Convention was adopted in Paris in 1961 and it was revised in 1972, 1978 and 1991. To provide and promote an effective system of plant variety protection, with the aim of encouraging the development of new varieties of plants, for the benefit of society.

Symposium on
the Benefits of Plant Variety Protection for
Farmers and Growers

CLOSING REMARKS

Kitisri Sukhapinda
President of the Council of UPOV

Geneva, November 2, 2012

Session I: The Role of PVP in
IMPROVING INCOMES for FARMERS and GROWERS

The UPOV System of Plant Variety Protection:

- **Encourages the breeding of new varieties - enabling farmers to respond to the environmental and economic challenges confronting agriculture**
- **Provides farmers and growers with access to the best local and global varieties**
- **Enables variety choice to be combined with information and delivery of good quality planting material**
- **Is a tool for capturing value through farmer cooperation**
- **Facilitates “WIN-WIN” cooperation between farmers and breeders**
- **Provides business opportunities for small farmers and growers**
- **Has the potential to be even more effective through improvements in implementation**

Session II: The Role of PVP in
ENABLING FARMERS and GROWERS to BECOME BREEDERS

The UPOV System of Plant Variety Protection:

- **Provides an incentive for farmers and growers to become breeders**
- **Enables any farmer or grower to use the best available, protected varieties for breeding work**
- **Offers an effective and transparent system that is easily accessible for small and medium-sized enterprises**
- **Enables farmers and growers to develop local, national and international businesses**
- **Empowers farmers and growers in the production chain**

... BUT we need to explain it better

SEMINAR ON ESSENTIALLY DERIVED VARIETIES

- The Council approved the organization of a seminar on essentially derived varieties (EDVs) on **October 22, 2013**. The seminar would consider the following:
- (a) **technical and legal views on “predominantly derived”, “essential characteristics” and “differences which result from the act of derivation”** (see Article 14(5)(b) of the 1991 Act of the UPOV Convention), the relationship between Article 14(5)(b)(i) and (iii) of the 1991 Act of the UPOV Convention and the possible impact on breeding and agriculture;
- (b) **existing experience** in relation to EDVs; and
- (c) the possible role of future UPOV guidance on EDVs in cases before the courts.

UPOV Collection: physical collection

The screenshot shows the UPOV website interface. At the top, there are language options: Deutsch, Español, Français, and Other. Below this is the UPOV logo and the text 'INTERNATIONAL UNION FOR THE PROTECTION OF NEW VARIETIES OF PLANTS'. A search bar and 'Contact us' / 'Site map' links are also present. A main navigation menu includes: ABOUT UPOV, MEMBERSHIP, UPOV SYSTEM, PVP DATA & STATISTICS, MEETINGS, and NEWS. The main content area features a large image of sunflowers with the text 'Test Guidelines available in Word'. To the right, a 'Quick Links' sidebar lists: Introduction to UPOV, Ashiro Rindo story, UPOV Collection (highlighted with a red arrow), Distance Learning Course, and Seminars & Symposia. Below the sidebar are links for GENIE Database, UPOV Lex, and Plant Variety Database (PLUTO). A 'News & Upcoming Events' section at the bottom right contains a news item: 'Test Guidelines now available in Word format' with a 'More News' link.

DL-205

Introduction to the UPOV System of Plant Variety Protection under the UPOV Convention

Session II

Study period: November 11 to December 15, 2013
Registration: September 1 to October 15, 2013

Registrations can be made in three different categories:

Category 1:
Government officials of members of the Union nominated by the relevant representative to the UPOV Council
No fee

Category 2:
Officials of observer States / intergovernmental organizations nominated by the relevant representative to the UPOV Council
(One non-fee paying student per State / intergovernmental organization;
Additional students: CHF1,000 per student)

Category 3:
Others
Fee: CHF1,000

DL-305

Examination of applications for plant breeders' rights

SECTION I ADMINISTRATION OF PLANT BREEDERS' RIGHTS
Module 1: The Plant Breeder's Right's Office
Module 2: Administration of applications
SECTION II ENTITLEMENT
Module 3: Entitlement to file an application
SECTION III NOVELTY
Module 4: Examining Novelty
SECTION IV DUS EXAMINATION
Module 5: Introduction to the DUS examination
Module 6: Variety collections
Module 7: Examining Distinctness
Module 8: Examining Uniformity
Module 9: Examining Stability
Module 10: Trial Design and Data Analysis
Module 11: Approaches and cooperation in DUS examination
SECTION V VARIETY DENOMINATION
Module 12: Examining the variety denomination
SECTION VI PUBLICATION OF INFORMATION AND DECISIONS
Module 13: Information to be published
Module 14: Proposed decisions and Objections
Module 15: Decisions
Module 16: Situations which may arise after the grant of PBR
