

Tina Henriksson

Tina Henriksson works as a senior plant breeder and group manager at Lantmännen Lantbruk in Sweden. Lantmännen is a coop owned by 90% of the Swedish farmers. Tina has a genuine interest in improving the crops both for the Lantmännen owners in particular and for the world in general. Tina has worked in field peas and winter wheat breeding all of her working life and has the best job anyone could ever wish for!
