

Muath ALSHEIKH

Dr. Muath Alsheikh is the Research and Development director and breeder at Graminor Plant Breeding Ltd. (Norway). Muath also holds an adjunct associate professor position in the department of plant breeding and genetics at the Norwegian University of Life Sciences (NMBU). His combined position aims to facilitate the application of scientific research in the Norwegian plant breeding.

Muath completed his Ph.D. degree in Plant Biotechnology from the University of Reading (UK) in 2000. He obtained his B.Sc. in Agricultural Sciences in 1994 from Jordan University. Muath also holds Executive MBA degree from BI Norwegian Business School in 2014.

From 2001 to 2006 he worked at Indiana University-Purdue University at Indianapolis and Iowa State University (USA) as postdoctoral fellow in plant biology and genetics. In 2006, Muath joined Graminor Ltd. as R&D coordinator and breeder and become the head of the division in 2016. In 2021, Muath becomes a member of the Norwegian Genetic technology Committee to investigate new genomic techniques.
