1. The purpose of this document is to provide background information to assist the work of the Working group on guidance concerning smallholder farmers in relation to private and non-commercial use (WG-SHF) at its second meeting.
2. The WG-SHF at its first meeting, held via electronic means, on March 17, 2022, considered documents WG-SHF/1/2 "Background Information" and WG-SHF/1/3 "Analysis and report with suggestions prepared by the Project Team". The report of the first meeting is provided in document WG-SHF/1/4 "Report".
3. The WG-SHF, at its first meeting, agreed that the WG-SHF, at its second meeting, should consider recommendations 3 to 6 in document WG-SHF/1/3 and continue to identify the elements that need to be addressed as a next step. On that basis, it was agreed that there would be no need for a new document for the second meeting.
