Subject: RE: GENTLE REMINDER: Action by May 20, 2024: call for replies to questions by the WG-SHF (UPOV Circular E-24/047)

Dir Sir / Dir Madam,

The exception "acts done privately and for non-commercial purposes" appears in article 37 in the Israeli law. According to the provisions of the law, it may be enforced by the civil courts. To the best of our knowledge, this article has not been discussed in court and our office has not received any inquiries to enforce it from breeders or others.
