Adoption of documents

The Council adopted the following documents:

Explanatory notes

UPOV/EXN/EDV/2 Explanatory Notes on Essentially Derived Varieties under the 1991 Act of the UPOV Convention (Revision)

UPOV/EXN/PPM/1 Explanatory Notes on Propagating Material under the UPOV Convention

Information documents:

UPOV/INF/6/5 Guidance for the preparation of laws based on the 1991 Act of the UPOV Convention (Revision)

All adopted documents will be published in the UPOV Collection (see http://www.upov.int/upov_collection/en/).

Test Guidelines

The Council welcomed the adoption by the Technical Committee (TC) of 5 new Guidelines for the Conduct of Tests for Distinctness, Uniformity and Stability (Test Guidelines) and 9 revised Test Guidelines and 4 partially revised Test Guidelines. UPOV has now developed 321 Test Guidelines, all of which are freely available on the UPOV website (http://www.upov.int/test_guidelines/en/).

Experience of members of the Union in the Examination of New Plant Varieties

The Council noted that the number of taxa for which members of the Union had indicated their practical experience in the examination of distinctness, uniformity and stability (DUS) had increased from 3,462 in 2016 to 3,561 in 2017 (+2.9%). The list of taxa in 2017 included 3,416 different genera/species. The Council also noted that information on members of the Union with practical experience in DUS examination was freely accessible via the GENIE database (see <http://www.upov.int/genie/en/>).

Organization of UPOV sessions

The Council decided to organize only one annual session of the Council, Consultative Committee, Administrative and Legal Committee (CAJ) and Technical Committee (TC) from 2018, with the sessions being held during one week at the end of October / beginning of November.
